Greetings. I was on travel and failed to note the 6-15 date to contact you. Please accommodate this request to attend the teleconference on Levy County seismic RAI.

Please send call information and any "hand-outs." NIRS is a party to the COL intervention.

Thanks
Mary

"Until we know how to safely dispose of the radioactive materials generated by nuclear plants, we should postpone these activities so as not to cause further harm to future generations. To do otherwise is simply an immoral act, and that is my belief, both as a scientist and as a survivor of the Hiroshima atomic bombing."
