**Subject:** Your Request for an Amendment to your License

Hi Lou:

I am reviewing your request for an amendment to your NRC license. We need the following information in order to complete the review:

1. Is this change in the name of licensed entity a result of transfer of control of licensed activities? If so, please provide the information requested in Item 5 of NUREG 1556, Volume 15.
2. If this is just a reorganization of the corporate structure of your company, then confirm that the change will not affect the conduct of your licensed activities.

NUREG 1556, Volume 15 is available at the NRC web site at <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/>

You may send your response e-mail to me or fax it at (610) 337 5269. Please refer to Control No. 577729 in your response. Should you decide to send via e-mail, the response must be in pdf form attached to the e-mail. Thank you.

Please note that NRC Region I office has been relocated to a new address. Please send all your future correspondence to:
