From your letter, we understand that this transfer will not result in any change to the location of use, materials, persons using licensed material, or persons responsible for radiation safety at the licensed facility.

Following the transfer of control, you must request an amendment to the license to reflect the proposed change of licensee name. Please refer to the above mail control number when requesting the amendment and inform us of any changes to the transfer of ownership as described in your letter dated July 9, 2012.
