Pending Expiration of NRC License

(NOTE: This will be used as the  
Documents Title in ADAMS)

7/1/2012 (14:30) I spoke with Mr. Meinholtz about the pending expiration of the company's license. Mr. Meinholtz replied that he had received a letter from the NRC regarding the pending expiration but that I had migrated to the bottom of his mail pile. He stated that he was back from a vacation and had forgotten about the need to renew the license. He would contact someone in D.C. about the renewal and get it in to them as quickly as possible. I helped Mr. Meinholtz navigate our website so that he could have access to NUREG-1556, Volume 8.
