Subject: Additional Info for License Renewal Application

Per our conversation with Scott Wilson on June 19, 2012.

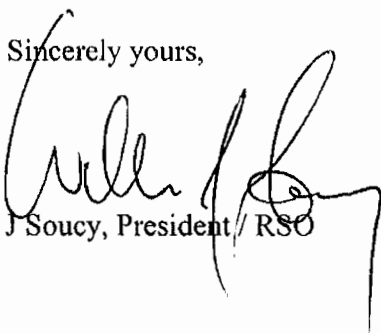

03019515

Please remove the following addresses from Item 10 of our current License #06-19909-01 Amendment # 11 as they are no longer used for storage of our gauges. 871 Stafford Rd., Eagleville, CT; 62 Eileen Rd., West Haven, CT; 62 Park Ave., Shelton, CT; 470 Ferry Blvd., #1A, Stratford, CT; 33 Roosevelt Dr., #222, Derby, CT; 254 Walnut St., Willimantic, CT; 71 Colonial Rd., Plainville, CT; and 40 Hunt Rd., Columbia, CT. All current storage locations are indicated on our Renewal Application.

On Item A8 we need to increase the maximum amount to A. 176 millicuries total. B. 704 millicuries.

Leak tests are performed on all devices on a regular basis as required, and have never shown any leakage or contamination. These tests are performed irregardless of the location of the device.

Sincerely yours,

William J Soucy, President / RSO
