General Comment

NextEra Energy is pleased to provide comments on the Petition for Rulemaking (PRM-50-104 or Petition) noticed in the Federal Register on April 30, 2012. The Petition, submitted by Mr. Michael Mariotte on behalf of the Nuclear Information Resource Service and 37 co-petitioners, requests several modifications to the Commission's requirements governing the Emergency Planning Zones (EPZs) for nuclear power plants.

NextEra Energy does not support the petition for rulemaking.

NextEra Energy endorses the comments provided by the Nuclear Energy Institute in their submittal dated July 16, 2012 and those provided by the State of Florida Division of Emergency Management on July 16, 2012 via electronic mail.
