Request for Renewal of Certificate of Compliance USA/9274/AF for Model July 20, 2012
No. ABB-2901

References: (1) Docket 71-9274
(2) Certificate of Compliance USA/9274/AF, Rev 8

Pursuant to 10 CFR 71.38, Westinghouse Electric Company LLC hereby requests renewal of NRC Certificate of Compliance (CoC) USA/9274/AF. There are no changes to the application for package approval that are not authorized in the existing certificate.

Westinghouse has a quality assurance program, approved by the Commission, which satisfies the provisions of subpart H (Quality Assurance) of Part 71. Further, Westinghouse complies with the terms and conditions of the applicable requirements of subparts A (General Provisions), G (Operating Controls and Procedures), and H (Quality Assurance) of Part 71.

As there are no changes for the renewal application, only this letter request is submitted electronically via EIE system and one paper copy has been mailed. Additional copies or electronic submissions are available upon request. Should you have any questions, or require additional information, please contact me or the LCPT manager, Wes Stilwell (803) 647-3438, if there are any questions.

Best regards,

*
