Stuart:

I should be able to attend one of your future meetings. Please send me an invitation letter (electronic is fine) with details on the meeting.

Duncan

Duncan, your name was given to me by Richard Blubaugh, a member of the Colorado Mining Association. We have some questions about the NRC as it relates to Colorado and wondered if you might be able to attend a future meeting here in town to provide us with an overview of the NRC and general information about the program.
