I'll just tell Steve that it's best to talk to Dennis. Steve said that the county official can wait.

Thanks,

Steve

Dennis would be the best person to speak to the individual. He will return the Monday after Thanksgiving (Dec. 29).

If that is too long to wait, either Kathy Schneider or I could talk to the individual before then.

Duncan:

Steve Tarlton called and is looking for someone to speak with a county official located near Telluride, CO regarding compatibility between CO's regs and ours. This all relates to the proposed Pinon Ridge mill application that the state is reviewing. Can you call Steve and give him a name whom he can refer to this county official? If it's Dennis, then that's okay; this official will just have to wait until Dennis gets back.

Thanks,
