Good Morning Ms. Flannery,

The contact information that you have for the State of Oklahoma is correct. I am sorry you were unable to make contact with anyone at the number you listed; however, it is my office number. I can always be reached at the 24 hour number that you have listed. If you need anything else, please let me know.

Good morning Lt. Colonel Allen,

The U.S. Nuclear Regulatory Commission (NRC) is updating information for designated State contacts that receive advance notification of certain shipments of nuclear waste and spent fuel. I would like to confirm that

you are still the Oklahoma contact for such notification. Please confirm by return email that you are still the Oklahoma official to receive such advance notification, and that the contact information below is still correct.

Also, I was unable to leave a voicemail or reach a live person using the phone number (405) 425-7044. Is there a different number that we should list for you?
