Ms. Brewer:

I understand from a June 4, 2012, letter from Commissioner Hartig to Mike Garner, Executive Director, Northwest Interstate Compact, that you will be DEC's representative to the Nuclear Regulatory Commission replacing Doug Dasher as Alaska's State Liaison Officer. See first attachment.

Also, Mr. Dasher was the Governor's designee receiving advance notification of spent fuel and certain other nuclear waste shipments. See second attachment.

I wish that you confirm that you are the Governor's designee (and complete) by return email the information below:
