Afternoon,

Attached are the revised Draft RAIs for the SSES amendment request regarding the cyber security implementation schedule. They are being sent to you to ensure that the questions are understandable, the regulatory basis for the questions is clear, and to determine if the information was previously docketed. Please inform me by COB on Thursday, July 26, 2012, if PPL desires to have a teleconference regarding the attached draft RAI. If we don't hear from you by COB on July 26, 2012, then I will issue the RAI on that date with a response due date of August 9, 2012.

Thanks!
