Hi Larry,

I told North Anna that staff would have no problem to come down for the audit. He is thinking October. Would that work for you.

Paul

Hi Paul,

Thank you for sending the draft audit plan. I am working with our vendors to determine the best location for the audit, considering the availability of documents and SMEs needed to support the audit. I will let you know the preferred location by July 6<sup>th</sup>.

We are expecting NRC to conduct a seismic related audit in late August or September and therefore recommend that the ESW/UHS audit be conducted in October.

Please keep me informed as you finalize the audit plan.

Regards,

Barry
