SUBJECT: SAFETY LIGHT CORPORATION, CONSENT TO THE WITHDRAWAL AND  
TERMINATION OF DECOMMISSIONING TRUST FUND AT JPMORGAN  
CHASE BANK, N.A., CONTROL NOS. 577741 AND 577740

Dear Mr. Lynch:

This refers to your letter dated July 10, 2012, requesting written consent to withdraw the remaining funds from the NRC-controlled decommissioning trust fund. This also refers to the letter dated June 5, 2012, from JPMorgan Chase Bank, notifying the NRC of its intent to resign as trustee for your trust fund. We understand that these funds are needed to complete the payment for repairing the perimeter fence, and to demolish and remove a house located adjacent to the property. These expenditures are necessary and appropriate to protect the public health and safety, and fall within the provisions of Section 2 of the decommissioning trust fund. The cost of these activities exceeds the remaining monies in the trust fund. Accordingly, you are authorized to withdraw the remaining funds contained in this decommissioning trust fund. We further authorize the termination of this decommissioning trust as contained in Section 15 of the trust fund. In a letter date July 24, 2012, (ML12208A084) we notified Ms. DeMarco of JPMorgan Chase Bank that we have authorized you to withdraw the remaining monies from the trust fund, and authorize the termination of this decommissioning trust.

Please note that the office of the Region I USNRC Division of Nuclear Materials Safety has moved effective May 9, 2012. Our new address is:
