Subject: NRC Exit Meeting Minutes for 85-07

Inspection Report 85-07 is the monthly resident inspectors inspection report. The report covers the months of March and April.

Mr. Yandell stated that there were no violations or deviations. In addition, Mr. Yandell stated that there is presently a reorganization going on within Region IV and the following changes are being made. Mr. Dorwin Hunter will now be working directly with Commanche Peak and not OPPD. If the District needs to call somebody, the chain in command should be as follows:

Mr. Yandell's boss is Larry L. Martin; his phone number is 860-8153, Acting Section Chief, The Branch Chief is Eric Johnson, and then Richard P. Denise. Mr. Yandell also stated that the SALP Report should be sent to the District within about a week, and there will not be a meeting held unless requested by the District. The NRC requests that we respond to any items in Category 3. If there is anything else that we would like to respond to, it would certainly be welcomed.

Mr. Yandell stated that there should not be any surprises in the SALP Report. We have heard all the necessary information.
