Cpt. Dowling:

My name is Jeff Lynch and I work for the U.S. Nuclear Regulatory Commission's Intergovernmental and Liaison Branch.

I would like to follow up on a brief conversation I had with Brenda Risk earlier today and confirm that you are still the governor appointed Part 71 and 73 representative (i.e., INDIVIDUAL RECEIVING ADVANCE NOTIFICATION OF NUCLEAR WASTE SHIPMENTS) for the State of California.

If in fact you are still the representative, I wanted to confirm that we have your correct contact information. The information I have on file is:

Captain Steve Dowling
California Highway Patrol
Commercial Vehicle Section
601 North 7th Street

(916) 843-3400
24 hours: (916) 843-4199

Thanks.
