Gentlemen:

This forwards the final report of the Systematic Assessment of Licensee Performance (SALP) for the Fort Calhoun Station (FCS) for the period of May 1, 1989, through April 30, 1990. This final SALP report includes:

1. The initial SALP report (no revisions).
2. A summary and list of attendees at our July 26, 1990, meeting at the FCS Emergency Operations Facility in Omaha, Nebraska.
3. Your August 27, 1990, response to the initial SALP report.

I consider the actions discussed in the July 26, 1990, SALP management meeting and in your August 27, 1990, response to the initial SALP report to be responsive to NRC concerns and recommendations.

The next SALP period for the FCS is scheduled to last 15 months, from May 1, 1990, through July 31, 1991.

Sincerely,

Robert D. Martin  
Regional Administrator
