Ms. Carmen Martínez Ten, President
Consejo de Seguridad Nuclear
Pedro Justo Dorado Dellmans, 11
28040 Madrid, Spain

Dear President Martínez Ten:

Thank you for your congratulatory letter recognizing my appointment as the Chairman of the U.S. Nuclear Regulatory Commission (NRC). As Chairman, I am proud of NRC's commitment to its mission and dedication of its staff to ensuring safety, security, and protection of the environment. I believe that collaboration among international nuclear regulators strengthens these principles.

It was an honor to receive the invitation from you and the Consejo de Seguridad Nuclear (CSN) to participate in the NRC-CSN bilateral meeting and have the opportunity to visit nuclear facilities in Spain. With much disappointment, I regret that I will not be able to personally attend the bilateral meeting and visit at this time. However, I look forward to the opportunity to meet with you in person and I wish you and your staff much success. In this regard, I welcome the opportunity to meet with you and our international counterparts at the General Conference at the International Atomic Energy Agency and the International Nuclear Regulators Association meetings in September.

Sincerely,

/RA/
