SUBJECT: RESPONSE TO 14-DAY NOTIFICATIONS
LICENSE NUMBER 05-27748-01

Dear Mr. McDonald:

By letters dated February 10, 2012, May 4, 2012, and July 6, 2012 you provided notification to this office that you would initiate certain activities under the subject license at the former Naval Air Station Alameda Point (NAS Alameda), located in Alameda, California. These notifications were required by License Condition 13. No further actions regarding your initial notifications are required. If you have any questions regarding this response to your notification, please contact me at 817-200-1140.

Recall that, if applicable, License Condition 18 requires that within 30 days of completing decontamination and decommissioning activities at each job site location, the licensee shall notify the Director, Division of Nuclear Material Safety, in writing of the temporary job site status and the disposition of any licensed material used.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,

/RA/

Carol L. Hill, Licensing Assistant
Nuclear Materials Safety Branch B
