Ms. Patricia Hirsch
United States Nuclear Regulatory Commission

Washington, DC 20555

Re: D.C. Rule 1.11 Notice

Dear Ms. Hirsch:

I served at the United States Nuclear Regulatory Commission ("NRC") from April, 2004 through July, 2012, most recently as Deputy Chief of Staff and Legal Counsel in the Office of Commissioner Svinicki from March, 2008 through July, 2012. I have recently become an associate at the law firm of Winston & Strawn LLP (the "Firm"). This letter is submitted in compliance with Rule 1.11(d)(1) of the District of Columbia Rules of Professional Conduct, which governs the transition from government to private employment.

Rule 1.11 provides that an attorney who is employed by a law firm after leaving government service may not accept employment in connection with a party-specific matter in which the attorney participated personally and substantially as a public official. To prevent imputed disqualification of other attorneys in the former government attorney's law firm, that attorney must attest that he or she will not participate in representations concerning such matters, talk with other lawyers about such matters, or share fees from such representations.

Listed below are the ongoing license adjudicatory matters (1) in which I participated personally and substantially while serving at the NRC, and (2) for which the Firm of currently serves as counsel (the "Screened Matters"):

- Combined License Application Calvert Cliffs Nuclear Power Plant, Unit 3 (Docket No. 52-016-COL) in which the Firm represents the applicants, subsidiaries of UniStar Nuclear Energy.
- License Amendment and License Renewal for the Crowe Butte in-situ uranium recovery facility (Docket Nos. 50-275-LR and 50-323-LR) in the Firm represents the applicant, Crowe Butte Resources, Inc., a subsidiary of Cameco Resources.

August 2, 2012

Page 2

- License Renewal Application for the Diablo Canyon Power Plant (Docket Nos. 50-275-LR and 50-323-LR) in which the Firm represents Pacific Gas & Electric Company.
- Combined License Application for Fermi Nuclear Power Plant, Unit 3 (Docket No. 52-033-COL) in which the Firm represents Detroit Edison Company.
- Application for License to Construct the High Level Waste Repository at Yucca Mountain in which the Firm represents the Nuclear Energy Institute.

I attest that I will not participate in any manner in representations concerning the Screened Matters. I will not discuss the Screened Matters with any other attorney in the Firm, and I will not share any fees for the Screened Matters. As required by Rule 1.11(d)(2), the Firm erected an ethical screen before I began employment there. The screen, which has been distributed to all other lawyers in the Firm and a copy of which is enclosed, walled me off from participation in the Screened Matters.

Sincerely,

Darani M. Reddick
