In the Matter of  
Strata Energy, Inc. (Ross In Situ Recovery Uranium Project)  
Docket No. 40-9091-MLA; ASLBP No. 12-915-01-MLA-BD01

Dear Administrative Judges:

Pursuant to 10 C.F.R. §§ 2.336(b) and (c) and 2.1203 and the Memorandum and Order (Additional Provisions Governing Mandatory Disclosures/Hearing File Updates) issued by the Atomic Safety and Licensing Board (Board) on May 2, 2012, the U.S. Nuclear Regulatory Commission (NRC) staff (Staff) provides the Board and the parties with an index listing documents required to be disclosed by the Staff. (Attachment 1.) These documents may be viewed by accessing the hearing file for this proceeding that is maintained by the NRC's Office of the Secretary. The Staff is also attaching one (1) index listing documents that, under 10 C.F.R. § 2.390, are exempt from disclosure and for which the Staff is asserting a privilege or immunity. (Attachment 2.)

Along with the attached lists, the Staff is providing affidavits (1) certifying that all relevant materials have been disclosed to the extent required by 10 C.F.R. § 2.336(b) and (c), as modified by the Board's Memorandum and Order (Additional Provisions Governing Mandatory Disclosures/Hearing File Updates) (May 2, 2012) (unpublished); and (2) formally invoking the deliberative process privilege for certain documents.

Respectfully submitted,

DECLARATION OF BRUCE WATSON

I, Bruce Watson, do hereby state as follows:

1. I am employed as Chief of the Reactor Decommissioning Branch in the Nuclear Regulatory Commission's Office of Federal and State Materials and Environmental Management Programs, Division of Waste Management and Environmental Protection, Decommissioning and Uranium Recovery Licensing Directorate. On this date, I am acting for Keith McConnell, who is Deputy Director in the Division of Waste Management and Environmental Protection, with responsibility for the Decommissioning and Uranium Recovery Licensing Directorate. Keith McConnell's supervisory responsibilities, which have been delegated to me while I am acting on his behalf, include oversight of the NRC Staff's review and evaluation of Strata Energy, Inc.'s (Strata) application for a license to be used in connection with the proposed Ross *in situ* uranium recovery (ISR) project.

2. As part of their responsibilities in preparing the hearing file and mandatory disclosures for this proceeding, NRC staff members under my supervision identified a number of documents as privileged because they contain information concerning the Staff's deliberative process. Those documents are listed in Attachment 2 to the Staff's August Update to the Hearing File, which I understand will be filed on August 2, 2012.

3. I have personally reviewed the documents identified as privileged in Attachment 2 and have determined, in accordance with the guidance set forth in Management Directive 3.4, that all documents contain predecisional information concerning the Staff's review of Strata's license application. These documents contain the Staff's analyses, recommendations, opinions or evaluations, and they may not necessarily reflect the final agency position with respect to the matters discussed therein. Each of the documents comprises part of the deliberative process necessary to the Staff's review of Strata's license application.

4. Further, I have determined that disclosure of the documents could result in harm to the agency, in that it would (a) prematurely disclose the preliminary views of individual Staff members or the Staff prior to reaching a final agency decision, potentially creating confusion as to the actual policy or views of the NRC Staff; (b) hinder the efficiency of the Staff, in that forced disclosure of its internal discussions on an unresolved issue would tend to chill all future deliberations and would interfere with the Staff's ability to engage in a free exchange of opinions and analyses prior to publishing its final review documents; and (c) imply or suggest incorrectly that the opinions of the Staff members involved in these communications are actually the final decisions of the agency, when no such final decision has yet been made.

5. Accordingly, I formally invoke the deliberative process privilege with respect to each of the documents listed in Attachment 2 to the Staff's August Update to the Hearing File, dated August 2, 2012.

6. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.
