Mr. Rolf Meinholtz
Eng Manager/Chemist/RSO
Environics USA, Inc.
1308 Continental Drive, Suite J
Abingdon, Maryland 21009

SUBJECT: Acknowledgment of Intention to Renew License No. 19-23974-01E

Dear Mr. Meinholtz:

This refers to your correspondence dated July 20, 2012, stating your intention to renew Nuclear Regulatory Commission (NRC) Exempt-Distribution Materials License No. 19-23974-01E. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office. We currently do not have sufficient information to complete the review of your amendment request. We are awaiting receipt of your complete application package, which we understand was sent to us by an express carrier, but was mistakenly returned to you by that carrier. Upon receipt of the application package, the Chief, Licensing Branch, will assign it to a license reviewer, who could be someone other than myself.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

If you have any questions, please contact me at (301) 415-5477 or by electronic mail: richard.struckmeyer@nrc.gov.

Sincerely,

Richard K. Struckmeyer
Licensing Branch
Division of Materials Safety and
State Agreements
Office of Federal and State Materials and
Environmental Management Programs

Docket No.: 030-37898
License No.: 19-23974-01E
