Re: Amendment to license 07-28762-02G

03032988

July 19, 2012

Dear Sir or Madam,

The purpose of this letter is to request that line 10 of Agilent's license 07-28762-02G be amended by removing reference to CALC Distribution Center, 500 Ships Landing Way, New Castle, Delaware. The third party contract service operating the site, Legacy Supply Chain Services, has obtained its own distribution license (ref.: NRC license 07-31467-02G), authorizing it to distribute the sealed sources contained in Agilent's license.

Please contact David S. Bennett (RSO) at 302-636-8262 if you have any questions about the application.

Thank you,

Lou Terry
