(Davis-Besse Nuclear Power Station, Unit 1)

Docket No. 50-346-LR

ASLBP No. 11-907-01-LR-BD01

August 3, 2012

ORDER

(Granting Motion for Extension of Time to File an Answer)

On August 2, 2012, pursuant to 10 C.F.R. § 2.323(a) and Section G.2 of the Initial Scheduling Order in this case,¹ the Staff of the U.S. Nuclear Regulatory Commission (Staff) filed a motion² requesting an extension of time to file its answer to a motion for summary disposition of Contention 4, filed by FirstEnergy Nuclear Operating Company (FENOC) on July 26, 2012³

In support of its motion Staff states that FENOC's Summary Disposition Motion is based on, among other things, a revised Severe Accident Mitigation Alternatives (SAMA) analysis, submitted on July 16, 2012.⁴ In addition, FENOC's Summary Disposition Motion is supported by 48 attachments, which comprise over 3,300 pages and address a multitude of issues related

¹ Initial Scheduling Order (June 15, 2011) (unpublished).

² See NRC Staff's Unopposed Motion for Extension of Time to File an Answer to FirstEnergy's Motion for Summary Disposition of Contention 4 (SAMA Analysis Source Terms) (Aug. 2, 2012) [hereinafter "Motion for Extension"].

³ FirstEnergy's Motion for Summary Disposition of Contention 4 (SAMA Analysis Source Terms) (July 26, 2012) [hereinafter "FENOC's Summary Disposition Motion"].

⁴ Motion for Extension at 2.

to Contention 4 concerning SAMAs.⁵ Staff also notes that there is currently pending in this docket a series of motions which seek to supplement a contention dealing with shield building cracking.⁶ The answers to these motions are due at about the same time as the answers to FENOC's Summary Disposition Motion.⁷

As required by 10 C.F.R. § 2.323(b), Staff contacted counsel for Intervenors and FENOC regarding this motion. Staff states that Intervenors consented to Staff filing the extension request and indicated that they wished to make the motion a joint motion, or alternatively, requested the consent/non-opposition of FENOC and the Staff to have the same answer date as the Staff.⁸ Staff and FENOC do not oppose Intervenors' request to have the same answer date as the Staff.⁹

For good cause shown, the unopposed Staff motion is GRANTED. The NRC Staff and Intervenors shall file their answers to FENOC's Summary Disposition Motion no later than September 14, 2012.

It is so ORDERED.
