Re: Docket 50-83, RAI Response in Support of License Amendment Request 27

NOTICE: ~~When separated from Safeguards Information designated as Safeguards Information Modified Handling attachment, this document is decontrolled provided the transmittal document does not otherwise warrant protection from unauthorized disclosure.~~

Please find attached response to RAI dated June 13, 2012.

The attached Security Procedures have been reviewed and approved by UFTR management and by the Reactor Safety Review Subcommittee.

We appreciate your continued consideration of this amendment. Please let us know if you need further information.

I declare under penalty of perjury that the foregoing and attached are true and correct to my knowledge.

Executed on July 26, 2012.

Brian Shea
Reactor Manager

cc: Dean – College of Engineering
Reactor Safety Review Subcommittee
UFTR Facility Director
UFTR Reactor Manager
UFTR Licensing Coordinator
