Subject: Annual Surety Estimate Submittal

Ron:

Due to a multitude of reasons, including the loss of staff in our IT Department, we have requested, and WDEQ has approved, a 30 day extension on the submittal of the WDEQ Annual Report and accompanying updated Surety Estimate for Willow Creek. NRC License SUA-1341 Condition 9.5 requires U1 to submit the updated Surety Estimate to NRC by August 18. I hereby request concurrence from you that we could have a 30 day extension to submit the updated Surety Estimate to NRC.
