Re: Response to NRC Letter dated July 9, 2012 (Control No. 576801)
License No, 21-20174-01

Dear Mr. Tran:

In response to the above referenced letter, we offer the following confirmations:

1. While the fixed gauges containing sealed sources are in storage areas, only the RSO and/or the designated AUs will have access to those gauges.
2. Copies of operating and emergency procedures will be provided to all gauge users.
3. Copies of operating and emergency procedures or a notice describing where procedures may be examined will be posted at the location of use.
4. The licensee will implement and maintain procedures for routine maintenance of its fixed gauges according to each manufacturer's or distributor's written recommendations and instructions.
5. The total possession limit of the licensed material remains the same as stated on License Amendment No. 05.

If you require any additional information, please contact me at (906) 228-0333.

Sincerely,

Erik Booth
Manager of Utility Planning & Compliance
