Re: Indian Point Nuclear Generating Station, Unit 2 and Unit 3
Docket Nos. 50-247-LR/50-286-LR; ASLBP No. 07-858-03-LR-BD01

Dear Administrative Judges:

Last evening, the State of New York filed redlined copies of revisions to Contention NYS-8 along with the revised documents which eliminate the need for motion practice in limine on this contention. In its cover letter, the State inadvertently failed to mention that it will also be removing exhibits NYS000417 and NYS000418. The State will be filing revisions to Contention NYS-5 following resolution of the NRC Staff's motion in limine, and at that time, the State will file a revised exhibit list addressing these changes to NYS-8 and changes, if any, to NYS-5.

I apologize for any inconvenience this omission may have caused.

Respectfully submitted,

Signed (electronically) by

Janice A. Dean
Assistant Attorney General
