**Subject:** Approved Version of Revision 3A to NUMARC 91-04, *Industry Guideline for Implementing Performance-Based Option of 10 CFR Part 50, Appendix J*

**Project Number: 689**

Dear Mr. Stuchell:

Please find the attached approved version of Revision 3A to NUMARC 91-04. This version incorporates the NRC's Safety Evaluation dated June 8, 2012, and conforming changes have been made to the document.

We understand NRC will issue an endorsement letter for this approved document upon completion of their review. We appreciate NRC's action to reach closure on this long term activity. If you have any questions or require additional information, please contact me at 202.739.8083, [reb@nei.org](mailto:reb@nei.org).

Sincerely,

A handwritten signature in black ink, appearing to read "Biff Bradley", with a stylized flourish at the end.
