SUMMARY

7/7/2012: This is in regards to your amendment request dated April 23, 2012. Mr. Reeve contacted the NRC to indicate that the address listed in letter dated April 23, 2012 may be incorrect. Mr. Reeve will research and provide correct address, if needed.

7/20/2012: This is in regards to your amendment request dated April 23, 2012 to update your O and E procedures and add and delete places of use on your license. In order to complete our review of your request, we will need you to provide the following additional information.

1. Discussed what changes have been made to the O and E procedures referenced in your letter. Mr. Reeve indicated that the information contained in the notes sections on page 1 of letter dated April 23, 2012 states the only changes made to the O & E procedures (i.e., addition of Appendix A). (no further response required).
 2. Discussed July 7, 2012 telephone conversation in which Mr. Reeve indicated that the address referenced in the April 23, 2012 letter "may" be incorrect. Mr. Reeve requested additional time to research the address. Mr. Reeve will respond by July 23, 2012. Mr. Reeve indicated if no response is provided by July 23, 2012, than should proceed with the license amendment (no change needed).
 3. Discussed the request to remove the address for the field station listed in the April 23, 2012 letter. I indicated to Mr. Reeve that this address had been removed with the issuance of Amendment No. 24. Therefore, no action is necessary.
