Dear Dr. MacFarlane:

*allison*

On behalf of the 96<sup>th</sup> Assembly District from the State of New York, I would like to congratulate you on your designation as Chairperson of the Nuclear Regulatory Commission (NRC).

I recently had the opportunity to tour Indian Point, in Buchanan, NY for over five hours. It was a very interesting, informative, and rewarding experience. I believe that Indian Point is a vital resource to the community and have the utmost confidence in their security measures. Various local surveys I have done consistently exhibit support for Indian Point, so long as it remains secure; the NRC has consistently seen to that.

Once again, congratulations on your designation as Chairperson of the Nuclear Regulatory Commission. I wish you the best of luck in all of your future endeavors. If I may ever be of assistance to you, please do not hesitate to contact my office.

Sincerely,

*Nancy*
