Subject: FW: SUNSI Action: Calvert Cliffs, Unit 3 - Response to RAI 359, Internally Generated Missiles (Outside Containment)

Gordon,

UniStar's letter with ADAMS Accession Number **ML12220A361**, dated August 3, 2012, provides response to Question Number 03.05.01.01-1 of your RAI 359(eRAI 6564). The response also includes a markup of the proposed changes to the applicable sections of the COL application based on the response to this RAI question.

Please review the RAI response and the associated COLA changes provided with the response and appropriately status the applicable question in the eRAI system.

The above UniStar letter can be accessed by using this link: [Open ADAMS P8 Document ML12220A361](#)

Thanks.

David,

The reason I copied you on this email is that UniStar's response to RAI 359 also contains changes (mark up) to Part 10 of the COLA. You may review these changes to see if it impacts your Chapter 14 SER.

Thanks.
