Dear Ms. Piccone:

I would like to extend a personal invitation for you to speak at the upcoming U.S. Army Senior Safety Professional Development Symposium, scheduled for September 9 – 14, 2012, in Atlanta, Georgia. This event provides a venue for senior safety professionals across the Army commands to meet and discuss key issues facing our Army. We will offer multi-disciplinary safety training and certification throughout the week with workshop tracks designed to meet regulatory safety and occupational health training as required by Public Law and Codes of Federal Regulation.

Our theme for this symposium is "America's Army; the Strength of the Nation." Numerous outstanding leaders are scheduled to attend and your delivery of our keynote address would be a highlight of this event, lending invaluable insight. Engaged leaders play a critical role in safety and engagement at every echelon with commitment to the safety of our Soldiers to ensure our Army reaches the goal of significantly reducing accidents.

We can accommodate your brief anytime on the mornings of 11 or 12 September 2012. Dr. Brenda Miller will serve as the POC for this action and can be contacted at 334-255-2959, or E-mail: brenda.g.miller.civ@mail.mil.

Sincerely,

A handwritten signature in black ink, reading "Timothy J. Edens", is positioned above the printed name.

Timothy J. Edens
Brigadier General, US Army
Commanding General
