In the Matter of
NEXTERA ENERGY SEABROOK, LLC
(Seabrook Station, Unit 1)
Docket No. 50-443-LR

Dear Administrative Judges:

Pursuant to 10 C.F.R. § 2.336 and as modified by the Atomic Safety and Licensing Board's ("Board") Initial Scheduling Order dated April 4, 2011 (as amended Orders dated August 23, 2011 and October 3, 2011), and the Board's Memorandum and Order (Granting Joint Motion Regarding Mandatory Disclosures) ("Order"), dated November 10, 2011, Friends of the Coast and New England Coalition ("Friends/NEC") is providing the Affidavit of Raymond Shadis, certifying that all relevant materials have been disclosed, and that the disclosures are accurate and complete as to documents identified by August 15, 2012.

Departing from the above-cited Scheduling Order, this filing is entered one day late due to an unforeseeable malfunction of Friends/NEC's computer which prevented timely electronic filing.

Friends/NEC takes very seriously its obligation to adhere to the scheduling and time constraints of this proceeding and it will make every effort to see to it that this sort of delay does not reoccur.

Hopefully, the fact that Friends/NEC did not identify any new documents requiring disclosure in this reporting period will somewhat mitigate the concern of the

Board and the Parties. Friends/NEC regrets and apologizes to the Board and the parties for any inconvenience or confusion the delay in its filing may have caused.

Sincerely,

Signed (electronically) by

Raymond Shadis
