(NOTE: This will be used as the Documents Title in ADAMS)

10/15/2012 (11:36) Mr. Haleem left a message on my voice-mail that he had some questions regarding the Standby Trust Agreement (STA) and the Decommissioning Funding Plan (DFP). (13:50) I returned Mr. Haleem's call. Mr. Haleem wanted to know if I had a chance to review the DFP and whether the STA should be for the approved amount or the submitted amount in the new DFP. I informed Mr. Haleem that I had not gotten to the DFP review yet because of other internal NRC matters and asked which DFP was for more financial assurance. Mr. Haleem stated that the submitted document was for a higher amount and was structured in the same way as the previous DFP. I stated that the submitted DFP would likely be approved and since it was for a higher amount the STA and the financial assurance instrument should be made to that amount. Mr. Haleem thanked me for my time.
