SUBJECT: Radioactive Material Authorization history for Dr. Singh at MU

Ms. Forster,

I am sending you this letter to inform you that Dr. Amolak Singh has been an active and in good standing Medical Authorized User approved for use of radiopharmaceuticals associated with 10 CFR 35.100, 10 CFR 35.200, and 10 CFR 35.300 on our NRC Broad Scope Type "A" Medical license number 24-00513-32, Amendment No. 110 since 5/27/1986.

If you have any further questions please do not hesitate to contact the RS Office.

Thank you,

Mr. Jack Crawford
MU RSO
