I seek all direct correspondence between Noranda and your office, including letters, written materials, reports, legal notices, regulatory citations, fines or other scheduled payments for violations and other relevant material. I am not seeking any secondary material such as phone logs, e-mails, notations of conversations and the like and I understand court documents are not covered under the federal FOIA act.

Date Rec'd: 1/15/13

Assigned Case: RISER

In terms of document delivery, I would prefer receiving materials via a CD or some other electronic medium but will accept paper delivery if that is faster.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$200.00. However, please notify me prior to your incurring any expenses in excess of that amount.

In the event some of the material contains information that should be redacted for privacy or other reasons, I request you to release all segregable portions of otherwise exempt material. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act.

Also, if you know of any other departments this request should be forwarded to, please do so.

I look forward to your reply within 20 business days, as the statute requires and you may notify me by email or telephone if you have questions regarding this request.
