Re: License No. 13-23425-01

Dear Sir/Madam,

The Indianapolis office of HNTB Corporation is writing to inform you of a change in our Radiation Safety Officer (RSO). Our previous RSO, Robert Z. Fisher has resigned from his position with HNTB in December of 2012. Ted M. Sowders is our new RSO for the HNTB Indianapolis office.

Mr. Sowders is scheduled to take RSO training provided by Troxler Electronics Laboratory. His training is scheduled for Monday, February 25, 2013. Once the training is completed, the Indianapolis office of HNTB intends to amend our NRC license to reflect the change in our designated RSO.

Please let me know if you require any additional information. My telephone number is (317) 917-5246 and my email address is [jballard@hntb.com](mailto:jballard@hntb.com).

Very truly yours,

HNTB CORPORATION

Jeffrey R. Ballard, P.E.  
Project Manager
