RE: Distribution report for CY 2012

Dear Sir or Madam:

Two errors were noticed in the Distribution Report for 2012, which was previously submitted. The errors were: 1) that the body of the letter referred to Calendar Year 2011, and not 2012; 2) there was an omission of 1 shipment which contained another 142 devices. Please find the enclosed report which includes these corrections. The remaining information is correct.

If you have any questions regarding this report or the information contained therein, please contact me at (207) 370-6485 or at tbrandon@diligistics.com.
