Jean,
No firm date yet for EOC, decision should be made by beginning of April. Thanks, I appreciate knowing their decision so I can communicate to Heather. I am on my blackberry today if you would like to talk. Take care and have a day full of sunshine!

Good morning Allan,

I have been thinking of calling you today. I do not have any firm new info but we are actively discussing options for working with the PIIC, I will say that an MOU is not being considered at this time. NMSS is supposed to accept (or not) the application today or tomorrow (right now I am not sure which). NMSS is reviewing the response to their RSI. I have a request into Pam Longmire for an update on NMSS's path forward. As soon as I have anything definite I will let you know.

Any further certainty on the dates for the end of cycle meeting?

Have a great day,

Jean

Jean,
I wanted to inquire on the March 3 deadline for PI to provide additional info. A status that I can share with the PIIC would be helpful.
Thanks - Allan
