Good morning Heather,

I have had a few more (+4) inquiries for the reservation tour on Tuesday afternoon and wanted your thoughts about accommodating everyone. The total now is up to 9 participants, I can stay back if less one helps to fit those who have not been. If there is no way to accommodate all let me know and we will prioritize the participants. I am glad to see the interest in participating!

Thank you again for helping to organize this part of our trip!

Jean
