Thanks Jean.

1. We determined that the most recent Reconnaissance Survey report for the ISFSI prepared by Westwood Professional Services, inc (dated November 29, 2010) had already been submitted to NRC and I took a copy of that with me.
2. I need a copy of the Hudak report prepared by Foth Infrastructure and Environment. Here's the complete citation:

Curt Hudak (2009) *Geological Testing in Support of a Phase I Archaeological Investigation at the Xcel Energy Holding Area and Access Road, Prairie Island, Minnesota*. Foth Infrastructure and Environment, LLC report prepared for Merjent, Inc. and Xcel Energy, Inc.

3. I have a copy of the text portion of the Cultural Resource Management Plan (dated Sept 10 2010) but it doesn't include maps or other illustrations. I realize this is a large document but I'm hoping they can provide a complete copy on CD that includes those items. **(Note: this document includes the Hudak report as an attachment, so if they can simply provide a complete copy of the CRMP then I should have what I need).**

Have a restful holiday break.
