I will need to eat ☺ Lets firm up next week. I will leave dinner open and if it works great, if not I will join the others.

We could go for dinner Wednesday night or just meet at 4:30 - 5:00 at our offices. We can keep it open if you want.

Heather,

Thank you for being so flexible. I too can meet any of those times. Would it be best if we set a specific time before next week or can we keep it open? If it is desired to have a set time before than we should probably make it Wednesday after 4:30 or 5:00 so that we can be sure we are finished on the site. Let me know your preference.

Wednesday afternoon would be fine. Thursday AM would work as well. I am flexible on time. Just let me know what works best for you.

Heather as you will see by the agenda attached to my previous message our Wednesday schedule is going to run late. I am thinking of changing my Wednesday night reservation to the Treasure Island on the reservation. Doing this I thought that maybe we could meet after the site visit on Wednesday. Are you open to an evening meeting?

If that does not seem like a good idea we could try for Thursday morning before we return to the site or after we rap up. Depending on how Wednesday goes we may not need to go back to the site and then we could have the whole of Thursday morning. My only need is to head to the airport by noon on Thursday.

Let me know what works best for you and we will see what we can do.

Enjoy the day,

Jean
