Great,

I have another question for you. We are looking to identify other groups/individuals that might be disproportionately impacted and thought we would ask for your input. We are also looking to contact the City of Redwing and wondered if you might have a contact there.

It looks to be a great week with much accomplished.

Enjoy your weekend. I will only work a partial day tomorrow so if you need to contact me give my cell a call.

Jean

Yes, cell number is correct. I will work on identifying some restaurants.

I will let Steve know that all can be accommodated on the tour.

It looks like everyone will be in St. Paul at or around the same time, as you suggested maybe we should plan on doing lunch and meeting immediately after. If you have good ideas for lunch (near the offices?) we could meet, eat and meet again.

Let me know if this sounds good to you. Is your cell number, 651-329-5796? If not could you please provide in case I need to call you after departure. My cell is 240-751-5358.

Enjoy the day!

Jean

Jean

It doesn't matter if we use two vans--no problem.

Also we can use the tribe's office in St. Paul on Monday. What time did you have in mind?

Subject: Tour update

Hello again,

Steve Ruffin just let me know that he has upgraded his rental to a mini-van so he should be able to drive his group of 5 around the reservation if this helps. If we end up in two vehicles do you think that you could ride with his group and provide the tour? This may be a moot point if Ron is able to get a van that will accommodate all, if this proves too difficult it may not be necessary. Let me know what works best for you all.

Jean
