Mr. James Pearson  
United States Nuclear Regulatory Commission  
11555 Rockville Pike  
Rockville, MD 20852

Dear Mr. Pearson:

Please accept the attached document to replace the previously submitted document:  
5.05-QA-03(A), Part 71 QA Program.

It has been updated to remove the following wording on the front page footer.

*This document contains information proprietary to Best Theratronics Ltd.  
Any disclosure or use of this information or any reproduction of this document other  
than the specified purpose for which it is intended is expressly prohibited except as Best  
Theratronics Ltd. may otherwise agree in writing.*

Upon successful review and approval, this procedure will replace 5.00-QA-00 currently  
associated with the Best Theratronics Ltd. Quality Assurance Program Approval.

Please do not hesitate to contact me if you have any questions.

Regards,

  
Richard Wassenaar, Ph.D., MCCPM  
Director of Compliance, RSO
