**Subject:** Re: Fermi Open Items Meeting (Public Teleconference) - Questions on Fukushima Order

Dear Tekia Govan,

Per your request, I am emailing you my information request pertaining to Fukushima Orders.

Under what portion of the Fukushima Order do Foundation and Soil Structure Analysis concerns get addressed with respect to Seismic Qualification and potential for liquefaction? What RAI addresses these concerns?  
Could you please direct me to that documentation?

Thank you

Michael J. Keegan  
Don't Waste Michigan / Fermi 3 COLA Intervenor
