

UNITED STATES OF AMERICA  
NUCLEAR REGULATORY COMMISSION  
ATOMIC SAFETY AND LICENSING BOARD

Before Administrative Judges:

Alan S. Rosenthal, Chairman  
Dr. Richard E. Wardwell  
Dr. Gary S. Arnold

In the Matter of

SHIELDALLOY METALLURGICAL CORP.

(Licensing Amendment Request for  
Decommissioning of the Newfield, New Jersey  
Facility)

Docket No. 40-7102-MLA

ASLBP No. 07-852-01-MLA-BD01

February 25, 2013

ORDER

(Retaining Jurisdiction over the Proceeding)

In the absence of further judicial review of the recent decision of the Court of Appeals for the District of Columbia Circuit in Shieldalloy Metallurgical Corporation v. Nuclear Regulatory Commission, et al. (D.C. Cir. February 19, 2013), this much seems evident: The Commission will have to decide between (1) a third endeavor to justify its transfer to the State of New Jersey of jurisdiction over the decommissioning of Shieldalloy's Newfield, New Jersey site; or (2) an abandonment of the proposal to effect such a transfer.

This Board will retain its jurisdiction over the pending New Jersey challenge to Shieldalloy's current decommissioning plan for the Newfield site to await further developments.

We will expect the NRC Staff to notify us promptly when a determination is made regarding the course the Commission intends to follow in this matter.

It is so ORDERED.

FOR THE ATOMIC SAFETY  
AND LICENSING BOARD
