Subject: Support Emergency Planning Petition

I wish to become a co-petitioner on the Petition for Rulemaking submitted February 15, 2012 by Public Citizen, Nuclear Information and Resource Service and 36 other organizations.

This petition would make substantial and necessary improvements in the Nuclear Regulatory Commission's emergency planning regulations.

Stop building any more Nuclear Plants and unplug the one's we have. We have to stop this insane behavior, now.

Please inform me when this petition is docketed for public comment. Thank you.

Sincerely,

Gloria Pondela
