SUBJECT: RALEIGH GENERAL HOSPITAL, VOIDANCE OF APPLICATION FOR LICENSE  
AMENDMENT, CONTROL NO. 579586

Dear Mr. Peters:

This concerns the subject application for an amendment to your material license. Because James Miller informed us that you will not be able to supply the additional information required to add Melaku G. Demede, M.D. as an authorized user for some time, we have voided your application. This action is taken without prejudice to the resubmission of your request.

The NRC's Safety Culture Policy Statement became effective in June 2011. While a policy statement is not a regulation, it sets forth the agency's *expectations* for individuals and organizations to establish and maintain a positive safety culture. You can access the policy statement and supporting material that may benefit your organization on NRC's safety culture Web site at <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html>. We strongly encourage you to review this material and adapt it to your particular needs in order to develop and maintain a positive safety culture as you engage in NRC-regulated activities.

Sincerely,
