Chandu,

RAI 6969, Questions 12.03-49 and 12.03-50, and RAI 6970, Question 12.02-17 request additional information related to the site-specific blowdown sump structure. The detailed design for this structure has not been completed. Separately, Dominion is considering changes to the design, as currently described in the COLA. The design decision and design work needs to be completed in order to provide complete and accurate RAI responses. Therefore, we are requesting additional time – until May 31, 2013 -- to respond to the subject RAI questions.

Please let me know if this request for additional time is acceptable. Thank you.

Barry
